2022 Reading Challenge

Join us again as we challenge ourselves to not only read more, but read better. Reading Challenges push us to read books outside of our comfort zones. That often means reading genres we usually overlook; like classics, non-fiction, or even fantasy, despite a preference for contemporary fiction. We chose 12 tasks designed to expand and diversify your reading in all sorts of ways to be completed over the course of a calendar year.

Each month we will announce a new task and help you with suggested titled. Once you’ve read your book, submit an entry on our website. Complete all 12 and receive a thank you gift from us.

This month’s task is: A Mystery, Thriller, or True Crime Book
