Women in the Civil War

**Tuesday, May 7
6:30 pm**

At the time, women were expected to cook and clean to make the home comfortable for the family and presentable for guests. With the outbreak of the Civil War, however, many women nursed soldiers, spied on the enemy, cooked and laundered for enlisted men, and fought as soldiers by concealing their identities and enlisting as men.

Registration is Required.

GIRLS WHO CODE & AUGMENTED REALITY

**Wednesdays 6:30 pm
May 8, 22**

Girls Who Code is a nonprofit organization founded in 2012 that is working to close the gender gap in technology. Anyone, ages 7-18, can come to the library on Wednesday evenings to gain skills in programming, robotics, and AR. Computer coding and robotics will be highlighted through May. Participants must be able to read and follow directions with minimal adult assistance.

Friends of the Library

Who? Our friends are volunteers who share a common belief that the library is important to the intellectual and cultural growth of the community.

What? The members of this non-profit organization work to increase public awareness of all library services and assist in bringing funds to the library for special needs. With fun events like Holiday Tree Auction, the Friends of the Library are always looking for new ideas and programs to support the library.

When? The Friends of the Library meet on the second Wednesday of each month in the Community Room.

• Become a member by picking up an application, which are available at the Help Desk.
