Illinois Libraries Present: An Evening with Marlee Matlin: From Oscar to West Wing and Beyond

Wednesday, September 14, 7-8 p.m. CST / Zoom

In celebration of Deaf Awareness Month, Marlee Matlin joins Illinois Libraries Present to share the highs and lows of her Hollywood career and journeys as an activist. The youngest recipient of the Best Actress Oscar, Matlin’s acting career recently achieved another milestone as her 2021 film CODA swept every category it was nominated in at the 2022 Academy Awards.

A longtime advocate for deaf rights, Matlin continues to break down barriers for herself and others through her acting, awareness, and writing. As she has so aptly stated, “The only thing I can't do is hear. The rest is there for the taking.”

This program will be offered in ASL and translated through an interpreter.

2022 READING CHALLENGE

Join us again as we challenge ourselves to not only read more, but read better. Reading Challenges push us to read books outside of our comfort zones. That often means reading genres we usually overlook; like classics, non-fiction, or even fantasy, despite a preference for contemporary fiction. We chose 12 tasks designed to expand and diversify your reading in all sorts of ways to be completed over the course of a calendar year.

Each month we will announce a new task and help you with suggested titled. Once you've read your book, submit an entry on our website. Complete all 12 and receive a thank you gift from us.

This month's task is: Book With A Place In The Title

IT’S DEAF AWARENESS MONTH! Do You Know How To Finger Spell?
